## How to Buy Guide

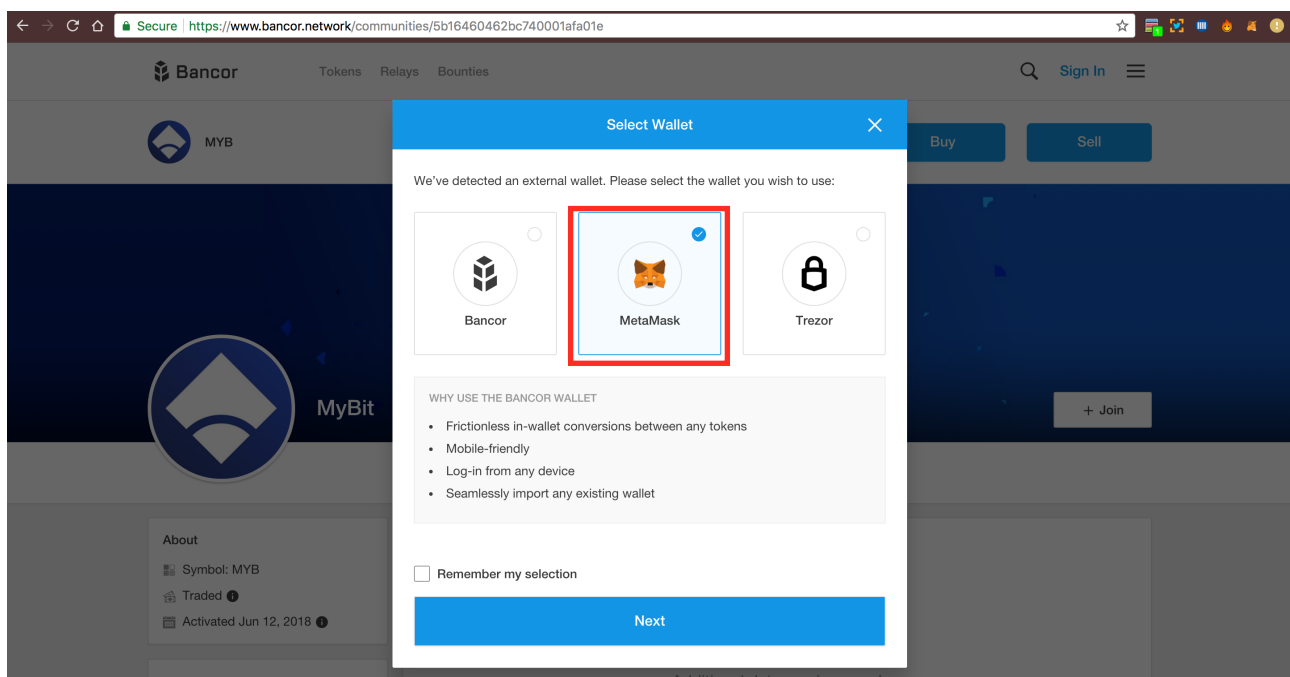

Head over to [www.Bancor.network](https://www.Bancor.network)

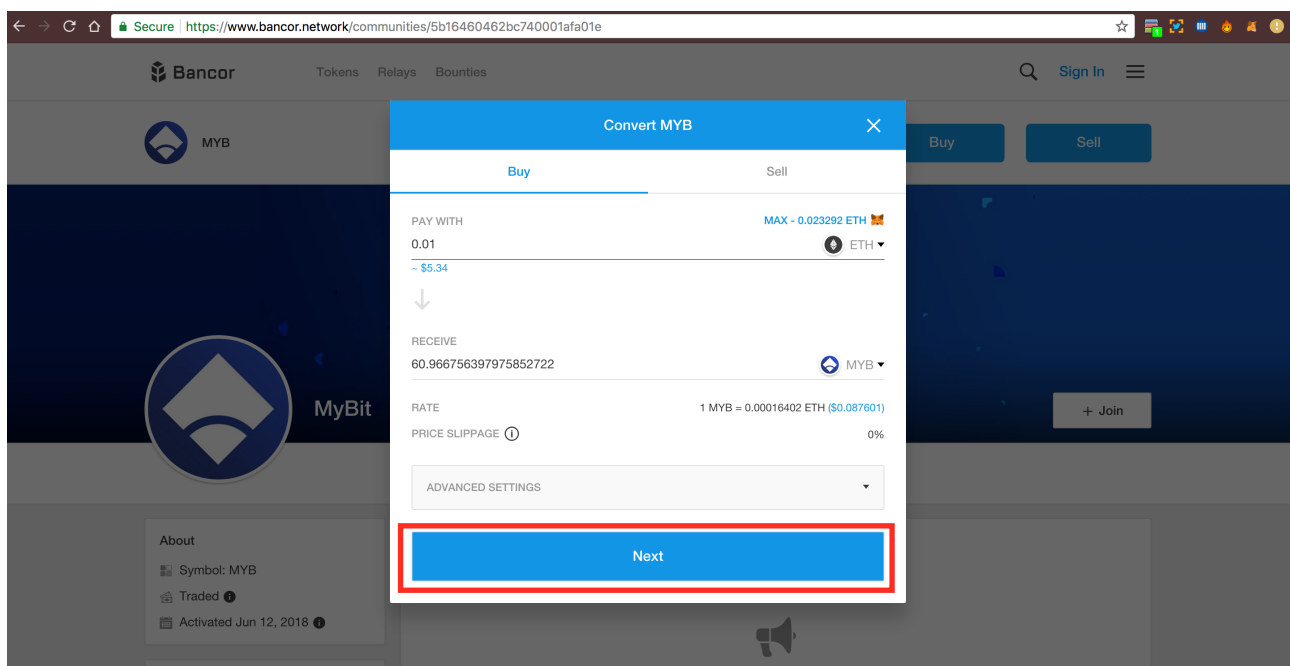

Click search on the top right

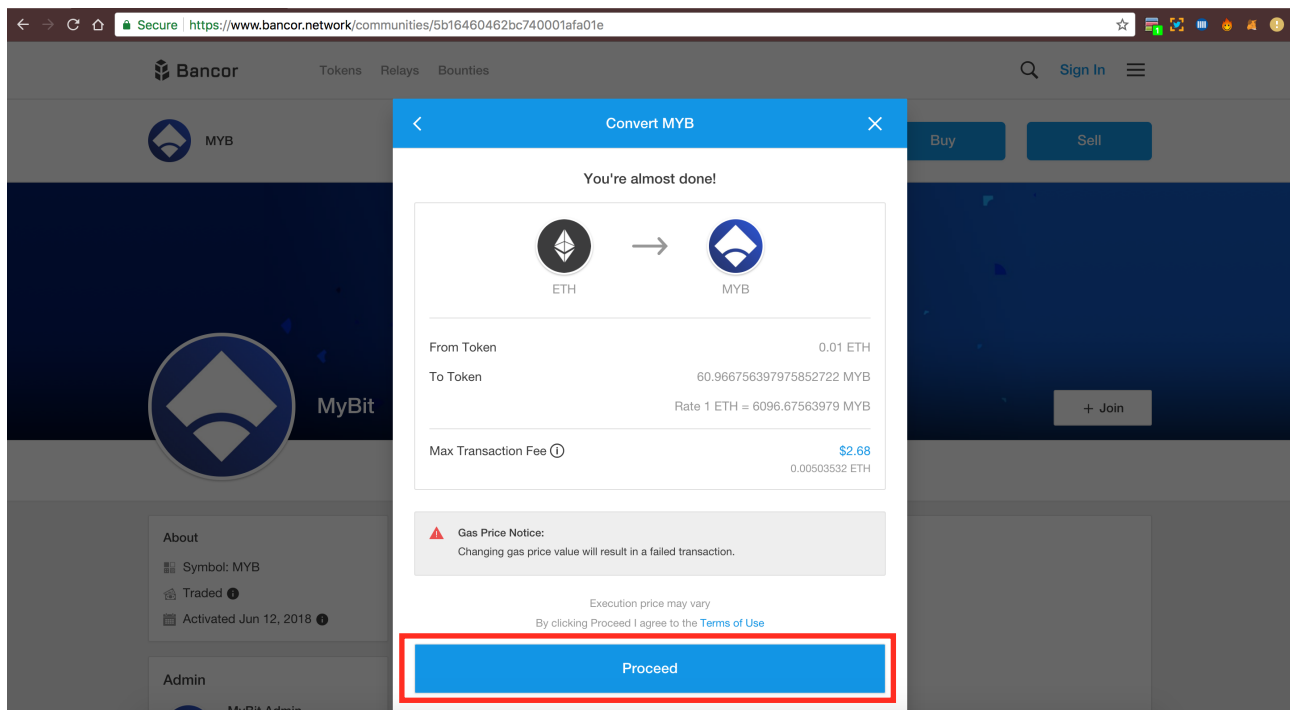

Search: MYB and select MyBit Token

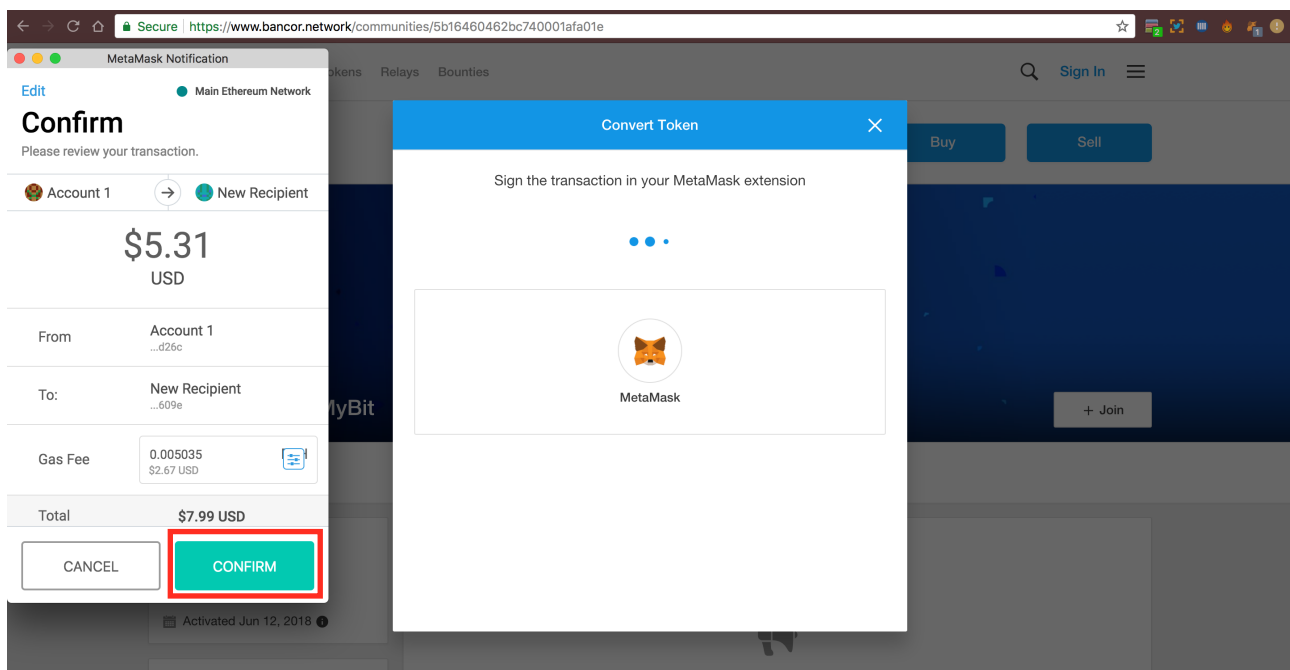

Select Metamask and hit next.

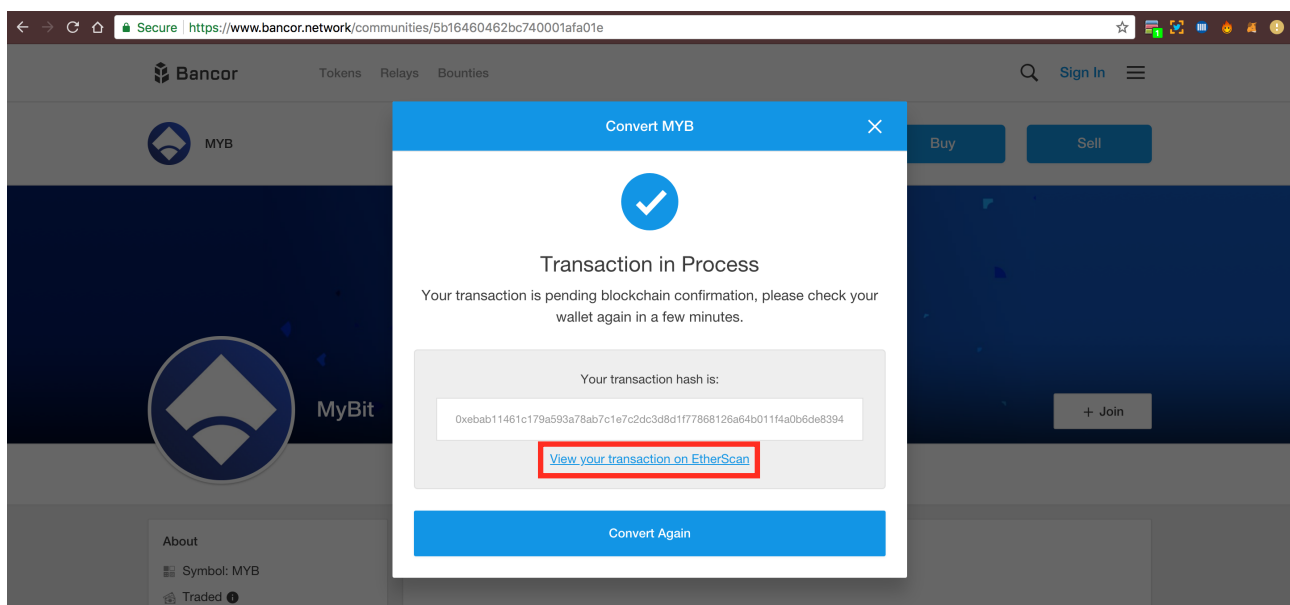

Enter the amount in Ether (ETH) and check the amount of MYB you receive then click next.

Double check the amount and proceed.

Confirm purchase by clicking the 'confirm' button on Metamask.

And you're done. You can check the transaction on ethscan.
